PORT SINGERS

This year marks the thirty-third season for the Port Singers. Throughout this period of accomplishment our goal has remained constant - to offer quality music not only for the enjoyment of our members but also for the communities we serve. Though our backgrounds are diverse and our experience largely amateur, we are bound together by the joy of singing.

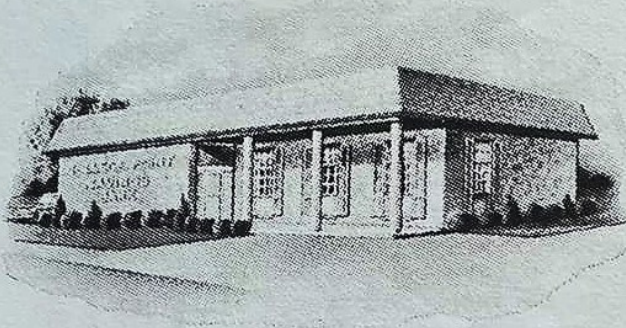

The Port Singer's productions have been marked by their versatility and innovation. In December we offer a classical concert and in May a musical show. These productions are, in every respect, the work of our members. We construct the sets, make the costumes, arrange the publicity and publish the program.

Sometime ago the Port Singers inaugurated a scholarship program whereby high school students, chosen by their respective music departments and a Port Singer's committee are invited to participate in the productions as guest members. At the end of each year, scholarships are awarded to outstanding high school seniors who plan to continue the study of music.

A large portion of the proceeds from each production is assigned to the Scholarship Fund. We are assisted in this endeavor by the Patrons and Sponsors whose names appear in the program. Without their loyal moral and financial support, neither the productions nor the Fund would be as successful as they are.

If you would care to join us as an active member, or help underwrite our expenses as a Patron or Sponsor, we cordially invite you to contact Elizabeth Poole, 944-8208, or leave your name and address with an usher tonight.

WHO'S WHO

ALVIN PINTER is completing his second year with the Port Singers as its Musical Director. Al is Director of Choral Music and Chairman of the Music Department at the Great Neck North Senior High School. During the summer months he performs as pianist in Hotels in the Kennebunkport, Maine area. In the past, Al has served as Assistant Director of Music with "Music Under the Stars" in Atlanta, Georgia, a summer stock company presenting Broadway Musicals in a 6000 seat outdoor theatre. From 1958 to 1966 he directed the North Shore Men's Glee Club, and is a former Director of the choir of the Community Reformed Church in Manhasset.

BOB KLEIN is a member of the Executive Board of Play Troupe of Port Washington. In recent years he has directed "The Glass Menagerie," "Mister Roberts," "Measure for Measure," "Arsenic and Old Lace," "The Miracle Worker," "No Exit," "Not Enough Rope," and "Conquest of Everest." Bob also directed his own adaptation of "Around The World In Eighty Days," for the annual Main Street School children's show. "Sweet Charity" is Bob's first show with Port Singers.

HAROLD DOUGHTY has been associated with Port Singers for a number of years. Many remember him as its Director from 1959 to 1965. Two memorable hits, "South Pacific" and "Music Man" were presented under Hal's direction. He is also a former Director of St. Stephen's Episcopal Church Choir. He is currently Director of Admissions at New York University.

PEG KOLMAR (nee Crossfield) received her Fine Arts degree from Beaver College and studied subsequently under such renowned artists as Benton Spruance, Horace Armistead and George Gach. For eight years, she painted and designed scenery at the Spa Summer Theatre. She also rendered similar services for the Opera Theatre of Westchester for three traveling operas. She now does free lance work, is a member of the Manhasset Art Association, the International Society of Artists, and the Society of Scribes.

DONNA BLANKMAN has a long association with Port Singers. She not only choreographed "Most Happy Fella", "Annie Get Your Gun," and "Kismet", but she has also had dancing and singing roles in many other productions. Earlier in her career, Mrs. Blankman toured the U.S. with a national company and has appeared in numerous roles in Broadway as well as Off-Broadway and summer stock productions. She studied with the Metropolitan Opera in New York.

We would like to introduce you
to one of the nicest eating & drinking
establishments in the world!

"My kind of Restaurant" the man said; in a firm voice! "I can bring my wife, my kids, business people or just go there for a few relaxing drinks after a game of tennis you know, a few brews with my buddies.

"I never feel out of place, no matter how I dress . . . never feel hassled," the young fox said. "My girlfriends and I go there all the time. It's not a Singles Bar! It's just great to stop in and have dinner and/or a drink. WOW! What a Salad Bar!"

"Me?" "I've been going there since it opened, even when the food came out of the kitchen wrong; we still went there! Now things are different, the food doesn't come out at all! BUT It's great . . . and that's why we go there."

"Have you ever met the owner? One day he's wearing a three-piece-suit . . . the next day jeans."

"Anyway you must try this place, the food is always, Always, ALWAYS GOOD."

"It will be such an enjoyable evening and the food so delicious, you will feel like angels from Heaven are dancing on your tongue, with each morsel of food that touches your mouth".
